You are invited to attend Gas Drilling Forum IV-Impacts of PennEsst Pipeline, an educational forum sponsored by the Gallows Run Watershed Association.

The forum is scheduled for December 2, from 7:30-9:30pm at the Palisades High School, 35 Church Hill Road in Kintnersville, PA.

Speakers, listed below, will address the potential impacts on our Upper Bucks environment and communities by the proposed PennEast pipeline and other infrastructure for the export of Marcellus shale gas. A question and answer session will follow.

Maya van Rossum, the Delaware Riverkeeper, PennEast Pipeline < Cumulative and Environmental Impacts, and Strategic Arguments for Challenging

Lynda Farrell, Pipeline Safety Coalition - Pipeline Regulation and Landowner Rights

Sam Koplinka-Loehr, Clean Air Council, Taking Action to Reach Community Goals and Protect Public Health

Karen Feridun, Berks Gas Truth, What You Can Do to Fight the Pipeline

For more information, please see the Gallows Run Watershed Association web site grwawildapricot.org

We hope you can join us to learn more about this very important and pressing issue.
