Monthly Meeting Minutes for Wednesday - January 21, 2014
Tinicum Township Building, 7:30 pm

In Attendance:

Dr. Robert Stanfield (BNTGMC -Tinicum) and Dr. Stephen Donovan (BNTGMC Nockamixon)

Motion to approve minutes of December 17, 2014 was tabled, as a quorum was not present. Treasurers Report: No new expenses since November 19 meeting.

Nockamixon:

Seasonal Variation study: SD looking for several more additional candidates to increase geographical diversity of wells tested in Township

Stream monitoring: BNTGMC is collecting conductivity readings for points on Gallows Run, Rapp Creek, Tohickon Creek and Deep Run. Initial data is leading to a preliminary understanding of local stream health. Goal is to determine what normal looks like throughout seasonal variations.

The BNTGMC has finalized their response to the Nockamixon Township Engineer questions and concerns. This will be sent off shortly by SD.

Bridgeton:

Seasonal Variation Study: Bridgeton continues to make outreach and assemble list for well monitoring based on future development potential and geological locations.

Tinicum:

The committee discussed water quality issues of on-going concern.

New Business: No new business

The next regular BNTGMC meeting will be held on Wednesday
February 18, 2015, 7:30 PM at Tinicum Township
