Subject: 2022 Road Project
Bid Opening Results
File No. 93-008

Dear Ms. Pursell,

At 10:00 AM on February 3, 2022, this office administered a virtual bid opening for the subject project via PennBid. One bid was received from Asphalt Maintenance Solutions, LLC in the amounts of \$250,800.00 for the base bid (Lodi Hill Road & Boulder Road) and \$349,962.00 for the base bid plus alternate bid (base bid roads plus Skyline Drive and Riverview Circle).

All required documentation was received from Asphalt Maintenance Solutions with the bid documents, including a Bid Bond for 10% of the bid amount, PennDOT Prequalification Certificate, signed contract, Workman's Compensation Act Affidavit, Public Works Employee Verification Form, and Anti-Collusion Affidavit. Accordingly, this office recommends the Township award the contract to Asphalt Maintenance Solutions, LLC, conditional upon the following:

1. Bid award must specify if the Township is awarding the contract based on the Base Bid amount (\$250,800.00), or Base Bid plus the Alternate Bid (\$349,962.00). It is recommended that the Township award the contract based on the Base Bid plus Alternate Bid, as it is the understanding that this total bid amount is within the amount budgeted by the Township for the project.
2. Receipt of a Performance Bond and Payment Bond, both in the amount of 100% of the contract price.
3. Receipt of a Certificate of Insurance, naming the Township and its agents as additional insured, pursuant to terms of the contract documents.
4. Compliance with all other specifications contained in the contract documents.

Board of Supervisors should consider awarding the contract at their meeting to be held on February 9, 2022. If the contract is awarded, this office will notify the successful bidder relative to terms of the award and any specifics relative to commencement of the project.

If you have any questions, do not hesitate to contact me.

Very Truly Yours,

Timothy Fulmer, P.E.
Township Engineer

TAF
